

VOMBIEPEDIA

A Glossary of Terms, By Vicki the Vombie, official secretary of the Vombie Society of Vombies.

Please note all views and opinions are those of the Vombie Society of Vombies and do not necessarily reflect the views of the publisher, writers, world in general, several large religious organizations, a kitten named Stickers that has the cutest litter tuft of hair under it's chin that you've ever seen, Ronald McDonald or any of the McDonald land crew, the estate of James Joyce, the United Salt Mine Workers of America LLC, Strawberry Pop-Tarts, Blueberry Pop-Tarts, remarkably Cinnamon Pop-Tarts do share the same views of the Vomibe society of Vombies which is besides the point as no body likes cinnamon Pop-Tarts, The United Negro College Fund, or the Vombies for Society (not affiliated with the Vombie Society of Vombies).

These terms and conditions, or any of them, may be modified or terminated by VSOV without notice at any time for any reason. The provisions relating to Copyrights and Trademarks, Disclaimer, Claims, Limitation of Liability, Indemnification, Applicable Laws, Arbitration and General, shall survive any termination.-

JUST KIDDING GUYS! I totally copied all that from the back of this restraining order my last boyfriend sent me. I love getting mail! I cant believe you guys had to wait a whole FREAKIN boring novel to get to the BEST FREAKIN part. ME, bitches! Yo Yo Yo Vicki in the house! House of books and shit. I hate paper cuts! And reading!

Like I was saying to my best friend at the abobo clinic yesterday, "Who cares how many times you do something as long as you say you are sorry to god each time." Right? Totally deep shit I was spitting, I couldn't baaaaahlieve I let that guy do those things to me for a free meal at Olive Garden. It wasn't even dinner, it was LUNCH! And it wasn't even a meal it was the unlimited bread and salad and soup deal. But I did get an ice tea so that was worth what he did to my back door if you catch my drift about what I am refereeing to when I say backdoor. I was totally bleeding after, but not from the right hole, which is what landed me back here again at The Untimely Woman's Clinic and Pet Grooming Store.

So a little bit about me, Vicki, your fearless narrator for this completely unnecessary GLOSSARY OF TERMS ANDS WORDS BOTH USED AND UNUSED IN THE QUEERWOLF EPIC. No one cares about this section, it's as useless as my ovaries! I am a vombie, well duh. it's in my name. Vicki the Vombie. Betta Recognize! I'm sure you're asking yourself, you are saying, self, why am I still reading this? I've wasted two hours of my life on this book and now i'm reading the glossary of terms being narrated by a ghetto fabulous vombie as she has a strong amount of suction applied to her uterus. Well to that i say, R. E. C. O. G. N. I. Z. E. by which i mean, recognize bitch. Have you recognized yet? have you? I recognized. Recognized that i aint gonna mess up my figure for no kid. These applebottom jeans aint got no elastic waist band if you hear what i'm saying. which, in summation is: Recognize.

See how good I am at using terms, like Recognize, it's no wonder they have asked me to write this section. I spit amazing words and sentences and sometimes, unborn fetuses. Once upon a time I was really good at those poetry slams because I can talk like real, real, real fast almost so fast that people have no idea what I am saying or if I am still even speaking in American but once I go too fast I throw up, probably cause I swallow my tongue. My throat is really big because it has so many large, girthy wieners in it. The poetry slams were also hot dog eating competitions which only makes sense when you are there to see it.

So i know you're wondering why this supa fly vombie bitch would be all up in your book after the main adventure's over. Surely there must have been one character from the thousands upon thousands dropped unexpectedly from the narrative who would be available- at least that hotty Tammy Teachersex!! Well, unfortunately just as the publisher began to prep the book they all unexpectedly died from a combination of salmonella and school shooting. it was a tragedy really, mostly for the United Peanut Growers of America. Their bottom line may never recover.

Speaking of bottom lines that may never recover, I hear dodger's got a new boyfriend these days. I cant tell you who because he is a celebrity and it would ruin his career. Not the gay part the having sex with a 13 year old boy part.

Enough gossip, that is against Vombie ethics. (It is Ryan Seacrest!)

Let's get it on with words! Without further ado, I now present you with the glossary I have waited my whole life to write. And if any of you gay homos have a problem with me or my definition you can suck it cause

I am Vicki the Vombie

and I am here to stay

and you cant make me leave

cause I have a beav

ABC Gum: The most delicious snack treat of all time! If someone offers it to you immediately accept. The ancient Romans believed that the gods of Mount Olympus feasted on ABC GUM. While Moses wandered the desert all his people ate was ABC Gum. The secret ingredient is Secret Sauce? ABC Gum. Who shot JFK? Lee Harvey Oswald, but he was chewing a piece of ABC Gum while he did so. Also, if any stranger ever offers you a ride in a big blue van with tinted windows, we suggest you take it. They may have ABC gum.

AIDS: Noun. AIDS is a chocolate bar made by Masterfoods USA of Hackettstown, New Jersey. AIDS consists of nougat, roasted peanuts, and caramel covered with milk chocolate. AIDS is the best selling chocolate bar of all time and has annual global sales of \$2 billion. Especially in Africa.

Anilingus: Action Verb. To Anally lick someone's Anal area. Anally speaking. See also: Kitten Petting. Puppy Kissing. Duck Slapping. And "John Stamosing"

Apple Juice: Present Participle, of the Dangling Variety. Apple Juice was first invented in 1400 as a cheap alternative to spercidial lubricant. When Johnny Appleseed and Frederick Buttplug met on that fateful August morn, little did they know their fates would become inexplicably intertwined. Twelve hours later Johnny's Appleseed was swollen and bloody, luckily an apple tree had bloomed, nourished by their hot sweaty man-love on a nearby hill. And the rest, as they say, is history.

B

Bathhouse: Noun. A magical fantasy land where homosexual men go to have unprotected anonymous sex with each other. Then they ride around on unicorns and fight alongside wisened talking trees against evil wizards named Narrmus. Actually, they get AIDS and die.

Beanie Babies: Noun. Babies born in Mexico.

Beefaroni: Noun. An everywoman kind of character woven throughout the QueerWolf epic to provide light hearted humor and instant character association to the reader. Given that the reader is a mentally handicapped slut. Which is 75% of the QueerWolf readership as proven by a telephone study, with 10% being pedophiles, 2% being actual animals, and .05% being family members and frienemies of the authors that felt sorry for them and purchased the book. The other leftover percentage were drunk Indians that won a few bucks the night before in casinos. (Just kidding, Indians don't win money at casinos)

Boredom: See: How McSmith, Tobly and McSmith, Bob like to end every book, play, movie, or vombiepedia.

Brangelina: Noun. The act of two sisters, or two brothers, or a sister and a brother, or a mother and son, or a daughter and a dad, or a

mother and a daughter, or a father and a son engaging in sexual acts, either consensual or non-consensual, or asleep or passed out drunk.

Part of the fear mongering campaign that began with William Randolph Hearst and that has continued through "just say no" and that bitch who lost her fingers from smoking.

Dish Washing: Adjective. Something laughable, ridiculous and quintile. For Example. "That dress is so dish washing ugly that i would actually wash dishes with it." or "The dishes need dish washing washing because the dish washing dishes wont dish washing wash themselves, but some people are too dish washing lazy to do the dish washing dish washing."

Dodger: Character. The Protagonist of our story. If you do not know who Dodger is then why are you reading this appendix? Here's a partial list of things Dodger doesn't like: Turning into a QueerWolf, Baseball, Hacky Sacks, Pop-Tarts, Oatmeal, his mother, vombies, getting stabbed with a sharp stick, not getting stabbed with a sharp stick, the Toronto Maple Leafs, milk chocolate, hamantashen , hot dogs, undies, appendixes, protagonists, Def Lepard (he can tolerate the drummer), waking up in the morning, going to sleep at night, sneezing, people with downs syndrome, thumbtacks, fanny floss, gum drops, friends, the TV show Friends, generic cheetoos, regular cheetoos, cats, anything spelled with a Z in place of an S, dogs.

Downs Syndrome: Noun, A disease that you get when you don't wash your hands enough. Or eat at any pizza buffet. During the raging 1920's Down Syndrome was not taken as serious and often referred to as "Happy Dancing Face Disease" and "Slow and Sloppy Sammy Syndrome" and also "Polio"

Dream Sequence: noun, an event that takes place in a person's life that seems to good to be true or so horribly wrong that in no way could it really be happening. The dreamer awakes in a cold sweat, screaming, and covered in semen. They are usually extremely relieved that it was all a dream, minus the dream semen.

Dreamship: Noun, The mythic boat that carries you to a land of ferries and glitter and hard candies. Unless your dreams are like mine, then it's a land of decapitated babies, failed relationships, poisonous snakes in your sheets, and Lindsey Lohan.

E

Earth Day: Slang. Slang in the hip hop community for someone not quite on the up and up.. IE. "Yo that Mofo be so Earth Day. Daaaaaaamn." Or "N***a be so Earth Day all up in My Sheeze." "Did you just call me a n****?" "Nah, man I meant it, like we boys you know?" "That's it you Earth Day piece of shi..." And that, friends, is how Tupac died.

Elephantiasis: Noun. A state of mind created by scientist Michael Jackson in 1984. By mixing several chemical compounds with Sweet and Low Michael Jackson was able to metabolize a solution that would cremation and another big word into a form of endurance driven big word big word big word that someday will save the world but also gave many rats cancer in lab tests. Michael Jackson now uses Splenda, which makes it more natural and a little sweeter and also ended the nasty side effect of making the test subject's balls so big they had to be pushed around in a wheel barrow.

Embonpoint: The perfect pen for the perfect occasion.

F

Fanny Floss: Noun. A cheese-cloth like string used by the obscenely obese to clean the hard to reach area around the anal hole area. The modest creator of the Fanny Floss, Kerisa Ward, attributes her innovation to itchy scabs and a dip made of cream cheese and sausage, best served on a Ritz cracker. Kerissa's motto for Fanny Floss is: "When you are large and in charge your butthole is hard to reach and I sure do hate when I can't get all the poop out of my crack and then I get stains in my underwear. I typically blog about it on one of my many blogs solely dedicated to sewing."

Feline Aids: Female Rapper, Feline AIDS humble beginnings included being hard core dissed at rap battles which become obscure after "rapper" Eminem made a whole stupid movie about them but have been making a quiet come back at Jimmy's Fried Chicken, Cock Fighting, Rap Battle Arena and Coin Operated Laundrymat. Feline AIDS was born with a rare disease called "4 Leg Problem" which is not contagious but as might assume was something to really get a gander at. Feline AIDS rapping style was considered mediocre by many due to her illiteracy but she had this wonderful way of charming over the audience with her 4 Leg Dance of Temptation and Disgust.

Feline AIDS was later signed to Interscope Records and toured for many, many years with Cynthia Dion (third cousin of Celine Dion). Sadly, Feline AIDS was killed in an human AIDS related incident.

Fetuses of Democracy: Noun. Something surprisingly easy to abort.

G

Glory Hole: Noun. How to put this? You see when a man loves another man, sometimes they like to do things to each other- down there. And sometimes one man doesn't need to necessarily know who the other man is in order to love him. So that man drills a hole in a wall at a public bathroom or dirty porn theater and that's where babies come from.

Gordon Ramsey: Verb. To defecate in one's pants. I.e. "I shouldn't have ate all of those beans I feel like i'm going to Gordon Ramsey myself." or "Oh my god! Who just Gordan Ramseyd? It smells like a fucking outhouse in here." or even "Dude, next time you Gordon Ramsey just warn me first okay? I just Jennifer Love Hewitt'ed in my mouth."

H

J

Jerking off: Adverb, at any given moment, of any given day, no matter how late or early it is, there are at least 100 men jerking off. They might be at home, at the gym, in a phone booth, or quite possible right behind you. The masterbaters are everywhere. That chair you are sitting in has at least three semen stains on it. Sleep tight.

Jon and Kate Plus Eight: A Television show that outer space alien historians many years from now will be able to pinpoint as the beginning of the end of the human race. What started as a normal family that was blessed with too many children and not enough love ended as a mass killing of all of the children by the mother Kate as her husband Jon ran for Governor of California, all perfectly timed for the season finale. Breaking all records of most watched television show in history, America tuned in to watch Kate rip off the heads off of her children and drink their blood. She then went on to make crafts with their disembodied body parts and canvassed the neighborhood seeking votes for her husband as she threw up her children's hair on the porch of Christians. It was totally awesome.

Jumpin' Jack Flash: Noun. Quite Possibly the worst movie ever made. Whoopie Goldberg stars as a black woman with ashy elbows who actually knows how to use a computer- thus setting up the largest plot hole in cinema history.

K

Kant, Immanuel Adjective. Something super sticky and smelling vaguely like the taste of sriracha. Eg: I wouldn't use that Kant, Immanuel towel because I've been masturbating into it for weeks, but it may add a kick to that soup you are making.

Kayne West: Ancient Greek. Kanye West is a term used in modern English to indicate overweening pride, superciliousness, or arrogance, often resulting in fatal retribution or nemesis. In ancient Greece, Kanye West referred to actions which, intentionally or not, shamed and humiliated the victim, and frequently the perpetrator as well. It was most evident in the public and private actions of the powerful and rich. The word was also used to describe actions of those who challenged the gods or their laws, especially in Greek tragedy, resulting in the protagonist's downfall. See Also: Lindsay Lohan, 50 Cent, or Pediatric Cancer Survivors

Kittens: Noun, Direct descents from Satan. Evil incarnate. Should you see a kitten, immediately kill the beast using a shovel, a baseball bat, a large book, your foot, a knife, a gun, a broomstick, a boxcutter, a hammer, a food dehydrator, a vat of acid, a vat of frying grease, or AIDS.

Klondike Bar: Here are the following things the humble authors of this humble book have, in fact, done for a Klondike Bar: drank pee from a wine glass, drank wine from a pee glass. Preformed enemas on our cats, thrown cans from our window in attempt to get killed by a member of the mob, started a happy hour tour that was a complete and utter failure, eaten a banana, slammed our fingers into a door then cut them then dipped them in salt water covered them with lime and slammed them in the door again, eaten another banana.

L

Little Mermaid, The: Three Things that irritate me about the little mermaid. 1) how does she hold those shells on her boobs while under water? Is it simply the water pressure? because i'm pretty sure the current would make them float away. 2) When the little mermaid gives up her voice for legs why can't she just write shit down? Helen Keller was blind mute and deaf and that bitch could say water. Fucking dumb mermaid couldn't handle a simple thumbs up? 3) She takes advice from a seagull on the human world. because seagulls know so much about humans. stupid fish lady.

Lycanthrope: Noun. To dress up like a woman and tuck your genitals into your butt and dance the dance of one thousand virgins. U2's Bono does this everyday of his life.

M

Maury Povitch: Noun. (1) Maury Povitch is a daytime tv talk show host, registered sex offender, and possible zombie. Maury is also jewish, raising the question: Is Human Meat Kosher? The answer, dear reader, is yes. Yes it is. Also human flesh is suprisingly low in calories and a heart smart food. Not to mention completely organic. That is why the authors of this book strongly advocate killing your loved ones, boiling the meat off of their bones, and making some sort of pate'. Additionally, a pinch of all spice will give your human meat a scintilating flavor that will have all of your dinner guests buzzing! (2) Conjunction. Used in a sentence to string words together. Along with and, but, or, nor Maury Povitch is quite possibly the most over looked of the group. Completely emitted from the song Conjunction Junction due to the overwhelming anti-semantic attitude at School House Rocks Maury Povitch is just beginign to rejoin our day to day lexicon. For example, "For breakfast you may order Ham Maury Povitch Eggs, Maury Povitch even Penubutter Maury Povitch Jelly on Toast Maury Povitch not bacon, because you're fat."

Maury Povich Sandwich, The: Sexual Act. Best left undescribed. If you really want to know, ask Connie Chung the next time she is in town. Don't say we didn't warn you.

McSmith, Bob: Undefined. You know that crust that forms on Mayonnaise when left out of the refrigerator too long? Or that smell in the apartment you cant quite identify? Or that bump/rash/cold sore growing on your penis? Or even that one childhood memory you cant completely recall but you know an adult shouldn't have been doing that to you but it is all so foggy that maybe you made it up or dreamt it, so you cant actually press charges? All of those things remotely, sort of define what is Bob McSmith.

McSmith, Tobly: Noun: In some cases, male yeast infections will be noticeable as a penile yeast infection that has dry cracked skin although the infection can occur most anywhere on the skin. When the man has an erection, this skin can crack and be extremely painful. yeast infection in boys most common causes are antibiotics, alcohol, beer, sex, wheat products, corn products, peanuts, barley, and a weakened immune system.

With a dash of paprika and a pinch of cumin. **2.** A wolf that only prefers the sexual company of other men. Limp wrists and heavy lisps are the defining characteristics of the QueerWolf breed. Also, AIDS. **3.** The rectal blood that comes from wiping your anus too many times.

Quintile: Adjective. A word to cover up that you do not understand what other people are talking about. Using the word in a sentence makes you instantly seem knowledgeable, well versed, literate. Best used in political conversations discussing topics that you have no understanding of, wait for a low moment in the talking and confidently assert: "To make a quintile of judicial systems is to be asocialist quintile in today's uncle tom's cabin and further aborts all the fetuses of democracy."

R

Ricky Martin: Noun. The nation's foremost expert on foreskin. In addition to his hit song Livin' La Vida I'm Gay he is also co-founder of Ricky Martin's Gay Bathhouse and Electronics Botique, Ricky Martin's Gay BathHouse of Belgian Waffles, And Ricky Martin's Gaping Hiney Hole- A Pizza Puppet Palace (and gay bathhouse)

S

Schwimmer, David: Banana. Many bananas have a curved shape, but some bananas are straight. Before reaching for the insect bite cream, try rubbing the affected area with the inside of a banana skin. Bananas are a great source of potassium. When most bananas are ripe, they turn yellow with brown patches. Unripe bananas are usually green, but it also depends what country they are grown in. Some fruits, like watermelons, grow out of the ground. In order to be called a fruit, the food must have seeds. But we aren't talking about watermelons, we are talking about bananas. Yes, he was the stunt double throughout the Karate Kid series. You can clearly tell it's Schwimmer during numerous stunts. For instance, when Mr. Miyagi rocks the boat when Daniel is balancing, when he falls it's Schwimmer. Also in part 2 Schwimmer is the stunt man when he releases the hook that rips his shirt. He also did the rock climbing stunts in part 3. He also fell down the hill on his bike in part 1. If you look closely you see it's really Schwimmer in the shower rape scene.

Seraphin: Text Message Slang, meaning to lay off, take it easy on. For example: "Sk8er! Seraphin 2day. 4 real!" or "Playa, Seraphin my l8dy. 4 real!" or "Seraphin the national debate over homosexual marriage, we cannot accept the view that Amendment 2's prohibition on specific legal protections does no more than deprive homosexuals of special rights. To the contrary, the amendment imposes a special disability on those persons alone. Homosexuals are forbidden the safeguards that others enjoy or may seek without constraint, 4 real!"

Shapeshifter: Noun. One Who shifts shapes or Ship shafes or Sharp Shits or Shart Safes. God damn, that was one clever defintion.

Van Helsing: Adjectverboun. A rich bloodline of vampire hunters that has eschewed nosferatu throughout the ages. That is, if eschewed means what we think it means. The latest incarnation of the Van Helsing clan works as a lunch lady at Michael J Fox High and has body hair in random patches covering her entire body. The Cafeteria's beef stew typically contains 1% beef and 78% random body hair. Just looked up eschewed- it does not. damn.

Virginity: Noun. The intangible notion of purity achieved through self denial. Good for children under 12 and the hideously deformed, Other than that an antiquated notion of propriety passed down through religious dogma and overprotective parents. The very nature of repressing one's sexual desire is known to cause sociopathic tendencies in young adults, including but not limited to: murdering small animals, extreme isolationism, and listening to the Jonas Brothers.

Vombie: We really couldn't be more foggy on this. The definition is right there in front of us, the actual meaning of just what a Vombie is but we can not reach it. Like chasing a dragon. Like using heroin. Like being born a young Asian girl doomed to death before ever given a chance.

W

Waterboarding: A 1960s surf rock anthem by the Beach Boys. Their three part harmony not only sucessfully ended the Vietnam war, but also caused several cases of feline leukemia. "Come on Everybody now, We're gonna show you how, won't you go Waterboarding with me. Woah-oh-oah. Waterbording with me. Woah-oh-oah. Woah-oh-oah. Woah-oh-oah. and so on."

Wu-Tang Clan, The: Overrated.

X

Xanthodont: I'm bored.

Xylophone: Sexual Act. Like the hot carl, the dutch oven, or even the much maligned dirty sanchez, the act of xylophoning someone is one of the most hilarious things anyone can do during sex. While some may have trouble mastering the act of burping ejaculate into one's anus and farting into another's mouth, the result is almost always one of extreme hilarity.

Y

-no words begin with the letter Y, give up *your* dreams. Crap.-

Z
